REMINDER

Remember to purchase your dog and cat licenses for 2010 prior to February 1st for \$25.00 for each animal. Our bylaw states that “every owner of a cat or dog that is over 4 months old shall, within 30 days of becoming the owner, obtain a license for each cat or dog.” The owner of the cat or dog shall ensure that the animal wears a collar to which the tag shall be attached whenever the animal is off the premises of the owner.

The licenses expire December 31st of the year purchased. If the dog or cat has an identification tattoo or microchip, the tag is not necessary but that information must be provided to the Town Office prior to Feb 1 along with the annual license fee.

Recycle Bins are now located behind the Centennial Centre.

On Line Banking

The Town is now set up so that you can pay your water bills or taxes through online banking (CIBC, Credit Unions, Scotia Bank and Royal Bank).

For those of you who are not aware, you can also pay your water bill/taxes via the debit machine that was installed in the Town Office late last year.

LINDA'S BEAUTY CENTRE

Family hair care
Waxing, Piercing

Hanley/Rosedale Fire Department

Recently a few of our members have moved out of our community. This has left us quite short of First Responders and Volunteer Firefighters.

We hope to be hosting a first responder class this spring. We have a few interested people but really need more.

Anyone interested is welcome to come to a practice and get more information on either or both aspects of this important part of our community.

For further information contact Les Kroeger at 544-2512 (days) or 544-2869

Vandalism/Thefts

A cash reward is being offered by the Town of Hanley for information that can be substantiated regarding vandalism/thefts that are occurring in the Town of Hanley. Confidentiality will be ensured. Please contact the Town Office at 544-2223 with any information.

CC Pool Happenings 410 Walter Scott Street Hanley, Sask

Senior Fitness—Tuesdays 10:00 a.m.

Regular Fitness Classes—Tuesdays 7:00 p.m.

First Aid CPR Class—March 5th, 6th, & 7th

Red Cross Swimming Lessons to begin Monday, April 12th.

For more information or to register, call Cindy at 544-2705

HANLEY SENIORS

The Hanley Seniors have recently installed some new equipment and are planning more programs. We extend an invitation to the community to take part and help plan future activities at the centre. Possibilities are family days, youth programs, Wii days or evenings, etc. For bookings, contact Jean Reeves at 544-2205 or Fern Beaumont at 544-2710.

Continuing activities at the centre are:

- Monday, 2:00 p.m.—Wii games, pool or shuffleboard
- Tuesday, 9:00 a.m.—Pool games
- Wednesday & Friday, 9:30 a.m.—Exercises
- Wednesday & Friday, 2:00 p.m.—Cards or other games

Thursday, February 25th was the start of our computer classes on the two computers that were recently installed. They will run every Thursday at 2:00 p.m.

Watch for the date of a travel film on Ireland sometime in March.

Our aim is to make the center open to all ages. We hope you will plan to use it.

Firearm Safety and Hunter Education

Anyone interested in taking firearm safety or hunter education, contact Darryl Libke at 544-2779. Classes will be starting in early March 2010

Hanley Preschool News:

Open House:

On Tuesday March 30, 2010 at 10:30am at the Hanley Lutheran Church, we will be holding an open house. Free coffee and cookies will be served. Everyone is invited to meet our teacher and see what the Hanley Preschool has to offer the children in this community. A pre-registration for the 2010-2011 school year will also be done at this time.

We will also be recognizing the businesses that have donated to our preschool in 2009 – Affinity Credit Union (Kenaston), the Hanley Economic Development Corporation, SaskEnergy, and Arbonne representative Carissa Haaland. A display of the various items purchased with the donated money will be available for viewing.

Raffles:

Congratulations to Bill Byrd and Susan Prosofsky who won the last two raffle baskets that we had on Sale.

Be on the look out for another raffle basket which will include beauty supplies, an MP3 player, pliers and various gift certificates. We will also be holding a silent auction on a framed Saskatchewan Roughrider picture courtesy of SaskTel.

Hanley Mennonite Church News

World Day of Prayer 2010

Let everything that has breath praise God

Written by the women of Cameroon

will be celebrated

on **Friday, March 5** at 2 pm

at Hanley Mennonite Church.

Please join us! Everyone is welcome!

World Day of Prayer is a worldwide movement of Christian women of many traditions who come together the first Friday of March to observe a common day of prayer each year. Through World Day of Prayer, women affirm their faith in Jesus Christ and become aware of the whole world; are enriched by the faith experiences of Christians of other countries and cultures; share the burdens of other people and pray with them and for them; become aware of their own talents and use them in the service of God's world. Prayer and action are inseparable and both have immeasurable influence in the world.

Easter Sunday, April 4, 2010

New Heavens and a New Earth

Join us for an Easter brunch at 10 am followed by a Resurrection worship service at 11 am.

At Hanley Mennonite Church

10 miles west of Hanley on Grid 764

Saturday, April 17, 2010

at Hanley Community Centre clubroom

beginning at 9:30 am.

Come enjoy waffles, sausage, egg bake, fresh fruit and good company!

Put on by Hanley Mennonite Church women

Watch for posters with more details.

Good Friday Ecumenical Service

The Cloth of Jesus

will be held on **Friday, April 2, 2010** at 11 am

at Hanley Community Centre hall

Hosted by the Mennonite, United and Lutheran Churches of Hanley.

Please join us as we remember and celebrate how the life and death of Jesus continues to speak to us today.

Help Wanted

The Town of Hanley is looking for a person to monitor the Transfer Station (landfill) effective immediately.

Hours of work are: Winter: Saturday, 10:00 a.m. to 4:00 p.m.

Summer: Tuesday & Thursday, 5:00 p.m. to 9 p.m. and Saturday, 10:00 a.m. to 4:00 p.m.

Contact the Town of Hanley at 544-2223 for further information.

Neptune Water Meters

Approximately 200 of the 263 new wireless Neptune water meters have been installed in the Town and area as of the end of February 2010. On February 24th & 25th the Town Administrator and Foreman received training and instructions on utilizing the new remote handheld meter reader. This remote reader will allow readings to be taken by just driving down the streets of the Town. A wireless signal is sent from the individual water meter to the handheld meter and then once back in the office, the readings can then be transferred into the computer program to read the amount of water that has been used by the individual residences/businesses. As it stands now, it is planned to use the new system for the March billing process. Those with the old meters will still need to have their meters read manually.

Library News

The spring session of Story time is back in session! Story time will run on Wednesdays April 14, 21, 28th and May 5th, 12th, 19th from 1:00pm-2:00pm. Children aged 3 and 4 yrs old are welcome to attend.

The new Library Book Club book is "Annie Freeman's Fabulous Traveling Funeral" by Kris Radish. The meeting is on March 23rd at 7:00pm at the library. If you would like to join the book club just come into the library and pick up a copy of the book. There is no charge and the book is supplied for you.

Library Hours:

Tuesday 3:30pm-7:00pm

Wednesday 2:30pm-6:00pm

Thursday 1:00pm-5:00pm

Hanley Centennial Hall Board

Annual Meeting

Tuesday, March 16th, 2010

Clubroom at 7:30 p.m.

Year End Reports and Election of Officers

Boil Water Advisory

The recent 'Boil Water Advisory' that was issued by the Town of Hanley originates with Saskatchewan Ministry of Environment. Pursuant to clause 32(1)(a) of The Environmental Management and Protection Act 2002 a Precautionary Drinking Water Advisory is issued due to a power outage and a system depressurization and therefore the safety of the Town's drinking water supply cannot be ensured at all times. Therefore, pursuant to Clause 32(1)(b) of The Environmental Management and Protection Act 2002, consumers must be notified to boil water used for drinking purposes and other activities that water may be ingested, not to drink from public drinking fountains, ensure that younger children and infants are sponge bathed.

The Town's water is still the same as it always has been, however, under the newer regulations it is felt by the government that a Precautionary Drinking Water Advisory must be issued whenever there is a power outage and the water system is depressurized. The Town has been looking into purchasing a generator to alleviate the depressurization whenever we have a power outage, however, as of yet, they have not been able to purchase a suitable generator. Be advised the Town will be issuing a 'Boil Water Advisory' whenever we have a power outage and a depressurization.

There are approximately 260 individual users of the Town's water supply, so when a 'Boil Water Advisory' is issued, it takes time (4 to 5 hours) to contact each and every user (via phone, e-mail or posting a note on the person's door). The Town is looking into a method of simplifying the process but as of yet they have not come up with a method that will allow them to contact everyone in a suitable time frame.

All proceeds to Hanley Community Projects

Draw at Hanley Golf Course July 7th, 2010

The WaterWolf Advisory Planning Commission

The WaterWolf Advisory Planning Commission is now before the Hon. Jeremy Harrison, Minister of Municipal Affairs Ministry. Ratification of the first and largest independent land commission in the history of the province is imminent. The Town of Hanley with the Villages of Kenaston and Hawarden, together with the R.M. of McCraney and the R.M. of Rosedale are just 5 of the 37 rural and urban municipal governments together with Whitecap Dakota First Nation who have partnered to form the WaterWolf Advisory Planning Commission.

The WaterWolf Advisory Planning Commission goals are best laid out in the draft 'Growth Management Plan' (below) that was presented to the stakeholders for their approval and input in the spring of 2008;

'Building strong communities for long-term prosperity, environmental health and social well-being depends on managing change and promoting efficient land use and development patterns. This supports strong, livable and healthy communities, protects the environment, public health and safety, stimulates economic growth and sustains municipal financial well-being over the long term.

At its Best, the WaterWolf Planning District will have:

- A land use concept plan that generally outlines the future land uses that may develop over time within the District.
- The District as a desirable location for future economic activity, employment opportunities, residential growth and major tourism destination.
- Identified development opportunities that will improve the enjoyment, health and well-being for the residents and communities within the District.
- Detailed planning areas that acknowledge the need for environmental management of the South Saskatchewan River Watershed.
- An inter-municipal framework to provide for mutual implementation of land development, economic development, transportation systems and infrastructure.
- Maintained and enhanced relationships amongst local levels of government for a sustainable region through ongoing partnerships with government agencies, respectful of municipal autonomy.

And finally:

Open lines of communication continue to develop between urban and rural municipalities and the first nation, to share experience, innovative ideas, and best practices to resolve conflict and pursue opportunities for regional benefit.'
