VOLUME 2, ISSUE 4

OCTOBER 2008

Hanley's Senior Complex

Yes we are getting closer. Look forward to an Open House in the near future. The painting is being done, the electrical is being done, the flooring is arriving this week, the power will be in within the next 10 days, the plumbing will be done, the doors will be hung, and lighting fixtures and fire alarms will be done. We will be moving in soon.

What an exciting time for the Town of Hanley to be so innovative and do what we have done. Everyone driving through our little town can not believe what we are doing for our seniors. Be proud that we are on the cutting edge of expansion for our town.

Remember, don't believe all that you hear on the street. We have many "stories" traveling around out there that are just not true. So, **STOP** the gossip and be positive for a great project for our town. The people that are gossiping are not the ones doing the work. The seniors complex committee reports to the town council and the decisions made are a decision of the entire council based on information given to us by Saskatchewan Housing and our Engineering Firm who designed the building. The council is not making blind decisions and we trust that the information given to us is correct because the ones giving us the information are our funding agencies.

If you have any questions or concerns regarding this building project do not hesitate to contact the town office and we will address your concerns.

Join us in the celebration of an exciting cutting edge project that is so important and worthwhile for our community.

HANLEY SENIORS' NEWS

Thank you to everyone who supported our Alzheimer Coffee & Cake Break on September 19. As a result of your generous donations we raised \$359.00 for this worthy cause.

The time of our Wednesday and Friday morning exercise program has been changed to 9:30 am.

We would like to resume carpet bowling for fall and winter and plan to have an open house for this on Friday, October 24 at 2 pm, so come and see if you would enjoy the fun of bowling on Wednesday and Friday afternoons at 2 pm. We will also continue with cards on these afternoons.

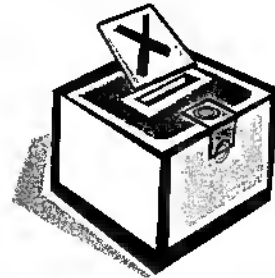

Recycle Bins are now located behind the Centennial.

Hanley Parks and Recreation

Town Garage Sale/Auction:

April 4, 2009 we will be holding an Auction Sale. *P & D Marketing* will be conducting the auction and the money raised will be used to improve the Old Park. We would like to use the money to buy playground equipment and improve the current campground facilities. You can help by donating items for this worthy cause. Please ensure that all items are in good working condition. We will be recruiting volunteers closer to the time to help with this event. We will have specified drop off dates and times posted in March.

Donations

Thank-you to the *Town of Hanley* for donating two loads of gravel for the campground. The gravel was spread out and utilized in the low areas, where it was problematic for campers. We would like to acknowledge Terry Block for his time and service in spreading out the gravel.

On August 6, 2008 the Hanley Parks and Recreation Board graciously accepted a \$500.00 donation from *SaskEnergy* to purchase playground equipment at the Old Park. The playground equipment will be purchased in the spring of 2009. The playground equipment will be suitable for children ages 18 months to 12 years of age. *SaskEnergy* is the first large corporation to make such a donation.

The Hanley Parks and Recreation board is currently accepting names for additional board members. If you would like to volunteer please contact Gwen LaFond at 544-2656 or Michelle Matycio at 544-2423 to express your interest.

Organizations who would like to apply for funding from the Parks and Rec. must send a formal written letter stating the amount requested, what the money was used for and a copy of the receipts. Unfortunately we can not provide funding for team uniforms, food or food related costs, building maintenance, or awards/prizes. Your letter can be submitted to one of the following board members; Gwen LaFond (president), Cindy Byrd (vice-president), Michelle Matycio (secretary), Clint Sira (town representative), Martin Zdunich, Pattie Prosofsky, Alison Prosofsky, or Lawrence Sarich.

Hauley Minor Ball

Just a reminder that all ball equipment needs to be returned. Minor ball executive is willing to lend out equipment to any one that needs it, but please don't help yourself. Last season equipment went missing that belonged to specific teams and had to be replaced at a serious cost. Please speak to the executive if you would like to borrow something. We had bats, back catcher equipment and pitching machine items disappear last season, and they were needed by our teams.

Thank you
